Welcome to Fourth Grade!!

Fourth grade is a fantastic year for teachers and students alike. As we work together to develop our Leadership skills, here are some tips to make fourth grade the best year ever.

- Read, read, read all summer long. Try out the Auburn Hills Public Library Summer Reading Program- it is free and FUN!
- Practice your addition, subtraction and multiplication facts. Beginning 4th graders should be able to easily complete 100 mixed problems in 5 minutes.
- Exercise your body as well as your mind. Eat right and have fun outside while the weather is wonderful.

We can't wait to see you when school starts in the fall. Have a safe and happy summer! A supply list is on the back of this paper. Post it on your refrigerator and when items go on sale, start collecting.
