Additional Supplies

All textbooks will need to have a book cover. A pencil pouch or case is also very helpful to carry materials to each class daily. Make sure your name is written on it in permanent marker. *Please note: Supply requests could be adjusted due to staffing changes.

The District will provide all basic supplies needed by the student to complete the required course curriculum. The student and/or his/her family may choose to purchase their own supplies if they desire to have a greater quantity or quality of supplies, or desire to help conserve the limited resources for use by others. The teacher or appropriate administrator may recommend useful supplies for these purposes.
